“ Jeff was like a brother to me. we were in Vietnam and shared a lot of memories together. he was my best friend and brother in arms. I will truly miss him. He is with Karen now for ever. God will take care of them.

“ So sad to hear of his passing. He and his wife where good people I remember walking by their home many times when I was little and they would always wave and say hello even though I didn't know them personally my father talked highly of them and Sandra Colegrove. Our little community has lost another precious member, may God bless their families and son and comfort and strengthen them.
